

SPECIFICATION

Range: **HANGER**

Design: **Claus Breinholt**

Codes: 1527/4-B, 1527/4-N

Codes: **1527/4-B, 1527/4-N**

Dimension: lenght 42 cm

Description: clothes hangers available in white and black high-tech polymer, characterized by its 45° inclined design to reduce the space depth-wise and to facilitate the display of hanging garments. The 45 degree angle in respect to the bar is ideal for "displaying" items of clothing in stores and showrooms, and to make it easier to quickly identify them in public cloakrooms.
