

# LIBERTY

# RTY

La vivacità di Liberty nasce dal gioco dei vuoti e dei pieni. Gli ampi fori nel tronco cavo esaltano, con la loro asimmetria, l'energia della superficie bicolore. Perfettamente impilabili, sgabelli e tavoli Liberty occupano e liberano l'ambiente con un originale tocco di design.

Liberty liveliness depends on the empty and full space perfect mixing. The wide holes in the empty cone frustum enhance, with their asymmetry, the bicolor surface. Perfectly stackable, Liberty stools and tables furnish and free the ambience with an original design touch.
