

MR LEM

Abbiamo cercato di coniugare in&outdoor uscendo dalle forme classiche traendo come forma di ispirazione una "navicella spaziale" e il primo sbarco sulla luna.

Linee decise, figura semplice, senza perdere di vista gli aspetti pratici del trasporto e dell'archiviazione , che permettono di sistemare due pouf nell'ingombro di uno, grazie alla sua simmetria. Se capovolto, Mr Lem diventa base di un simpatico tavolino con piano in vetro o HPL.

We have tried to join in&outdoor by abandoning the classic shapes using a "space ship" and the first landing on the Moon as inspiration. Decisive lines and simple shape, without losing sight of the more practical aspects tied to transport and placement, which enable putting two poufs in the space of one, thanks to symmetry. If turned upside down, Mr Lem become a funny base a table with glass or HPL top.
