

WAVE COL LEC TION

I lettini Wave single bed e double bed, sono realizzati in materiale da esterni fatto di una miscela di PVC e PES, antibatterico, totalmente riciclabile e resistente ai raggi UV, tessuto con trama a maglia realizzata in esclusiva per Myyour. L'imbofftura è in gommapiuma riciclata contenuta all'interno di un sacco antipioggia. Inoltre, grazie alla linea di piegatura presente sulla tre quarti della superficie, la zona dedicata al riposo di spalle e testa è ben delimitata e rende ancora più confortevole l'utilizzo di questi lettini per esterno.

The big beds Wave single bed e double bed are made of an outdoor material made of a mixture of PVC and PES, antibacterial, totally recyclable and resistant to UV rays, with a knitted fabric texture made exclusively for Myyour. The padding is made of recycled rubber foam contained inside a rainproof bag. In addition, thanks to the folding line present on the three quarters of the surface, the area dedicated to the rest of the shoulders and head is well defined and makes the use of these outdoor beds even more comfortable.
